The Brat's Decision Part Three (A Taboo, Menage, MFM Urban Short Story): Shipwrecked With The Man of the House & The One She Grew Up With E.M. Smart

After nearly three years of enforced celibacy, Julia is swallowed up in a wild carnal whirlwind that finds her **pregnant** when it briefly subsides.

The rules of the island dictate that she is now allowed to find pleasure with either one of the other males. Anytime. Anywhere. And in any and every way.

But she has already disobeyed the most important rule and she fears what may happen to her and the child she carries.

Her mistake haunts her even while she indulges in all of the pleasures of the flesh with **the man of the house** and **the one she grew up with** . A shocking revelation forces her into a last ditch effort to bring everyone together.

She must let him do to her for the **first time** what she has never allowed before.

This 5,300 word short story by E.M. Smart contains descriptions of unprotected anal, vaginal and oral sex; as well as possibly disturbing depictions of MFM sex.
