Education Still Under Siege, 2nd Edition (Critical Studies in Education and Culture) Stanley Aronowitz, Henry A. Giroux

Cultural differences are not asserted through the specificity of dominant notions of race, gender, and class, but through a commitment to expanding dialogue and exchange across cultural lines as part of a wider attempt to deepen and develop democratic public life. This revised edition of the 1985 best-seller speaks eloquently to the need to attend to ever-present inequalities of education in the light of new political correctness, technology, and curricula.
