Praise for Everyone Leads

"If America is going to continue to thrive in the twenty-first century, we must strengthen our sense of community. His unique perspective and experience make this a must-read for community activists."—Geoffrey Canada, president and CEO, Harlem Children's Zone

"This moment in history demands that we stop waiting for others—especially others living in Washington, D.C.—to solve the problems and right the wrongs of our times. Now, more than ever, we must mine the most underutilized resource available to us: We the People. *Everyone Leads* shows us how."—Arianna Huffington, president and executive editor, Huffington Post Media Group

"Social change has always come from the leadership of the many, not the few. *Everyone Leads* shows us how we can all step up and contribute to social change."—Tavis Smiley, author, broadcaster, philanthropist

"Every nonprofit can learn from Public Allies' example that the leadership we need to solve problems exists within our communities. *Everyone Leads* is a guide to inclusion, collaboration, and community building that will inspire readers to see leadership and opportunity in places we don't usually look."—Sterling Speirn, CEO, W.K. Kellogg Foundation

"Schmitz has produced the road map we need for this 'all hands on deck' moment when we need a new spirit of collaborative leadership and action to face the problems of our day. Reading this book, we are not surprised that Michelle Obama learned from Public Allies how to build leaders and build communities."—Harris Wofford, former United States Senator, and CEO of the Corporation for National and Community Service under President Bill Clinton
