Larry "Ratso" Sloman

Reefer Madness: A History of Marijuana Larry "Ratso" Sloman

Reefer Madness, a classic in the annals of hemp literature, is the popular social history of marijuana use in America. Beginning with the hemp farming of George Washington, author Larry "Ratso" Sloman traces the fascinating story of our nation's love-hate relationship with the resilient weed we know as marijuana.

Herein we find antiheroes such as Allen Ginsberg, Robert Mitchum (the first Hollywood actor busted for pot), Louis Armstrong (who smoked pot every day), the Beatles, and more rascallions standing up for, supporting, smoking, and politicizing the bounties of marijuana.

With a new afterword by Michael Simmons, who has written for *Rolling Stone*, *LA Weekly*, and *High Times*, on the progress of the hemp movement and the importance of medical marijuana, *Reefer Madness* is a classic that goes on.
