The Future Dictionary of America

Jonathan Safran Foer, Nicole Krauss, Dave Eggers, Eli Horowitz

The Future Dictionary of America Jonathan Safran Foer, Nicole Krauss, Dave Eggers, Eli Horowitz

This book was conceived by Safran Foer, Nicole Krauss, and Dave Eggers as a way to bring over a hundred authors together to promote progressive causes in the November 2004 election. The book is an imagining of what a dictionary might look like about thirty years hence, when all of the world's problems are solved and our current president is a distant memory. The book is by turns funny, outraged, utopian, and dyspeptic.

Over 150 writers contributed to the book, including: Stephen King, Robert Olen Butler, Glen David Gold, Richard Powers, Susan Straight, Sarah Vowell, Billy Collins, C.K. Williams, Colson Whitehead, Donald Antrim, Jonathan Franzen, Edwidge Danticat, Edward Hirsch, Joyce Carol Oates, Katha Pollitt, Padgett Powell, Paul Auster, Anthony Swofford, Julia Alvarez, Susan Choi, Jim Shepard, Aimee Bender, and Art Spiegelman.

Hardcover editions of the book will also include a CD compilation, with all new songs by the best musicians working. Among them: David Byrne, R.E.M., Death Cab for Cutie, Moby, Sleater-Kinney, Flaming Lips, Tom Waits, Yo La Tengo, Bright Eyes, They Might Be Giants, Elliott Smith, and the Yeah Yeah Yeahs.

From reader reviews:

Diana Ham:

The book The Future Dictionary of America can give more knowledge and also the precise product information about everything you want. So just why must we leave the great thing like a book The Future Dictionary of America? A few of you have a different opinion about e-book. But one aim which book can give many data for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or data that you take for that, it is possible to give for each other; you could share all of these. Book The Future Dictionary of America has simple shape however, you know: it has great and massive function for you. You can appear the enormous world by open up and read a reserve. So it is very wonderful.

Darlene Beaudoin:

As people who live in the modest era should be revise about what going on or info even knowledge to make them keep up with the era and that is always change and progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice for yourself but the problems coming to you actually is you don't know what type you should start with. This The Future Dictionary of America is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Michael Medellin:

Reading a reserve tends to be new life style in this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Together with book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire all their reader with their story or even their experience. Not only the storyplot that share in the textbooks. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some investigation before they write to the book. One of them is this The Future Dictionary of America.

Deborah Walker:

Your reading 6th sense will not betray an individual, why because this The Future Dictionary of America book written by well-known writer we are excited for well how to make book that could be understand by anyone who else read the book. Written inside good manner for you, still dripping wet every ideas and creating skill only for eliminate your personal hunger then you still skepticism The Future Dictionary of America as good book not just by the cover but also through the content. This is one book that can break don't ascertain book by its protect, so do you still needing yet another sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to another sixth sense.
