How to Make White People Laugh Negin Farsad

Negin Farsad is an Iranian-American-Muslim female stand-up comedian who believes she can change the world, one joke at a time. In HOW TO MAKE WHITE PEOPLE LAUGH, Farsad shares her personal experiences growing up as the "Other" in an American culture that has no time for nuance.

Writing bluntly and hilariously about the elements of race we are often too politically correct to discuss, Farsad takes a long hard look at the iconography that still shapes our concepts of "black," "white," and "Muslim" in America today and examines what it means when white culture *defines* the culture.

Here she asks, what does it mean to have a hyphenated identity and how can we combat the racism, stereotyping, and exclusion that happens every day? HOW TO MAKE WHITE PEOPLE LAUGH tackles these questions and more with wit, humor, and incisive intellect.
