No one is exempt from having hidden snares that trap and keep us from living a victorious life. These pitfalls of addictions, destructive habits, depression or fear bind us from living truly free. Often these feel like living under a curse or stronghold. Many are repetitive patterns that plagued parents or grandparents.

This book offers strategies to identify, root out and pull down any curse or stronghold. Rallo explains how one can become entrapped, and then sheds light on actual and potential snares. He applies the instructions found in God's Word.
