Business Strategies in Transition Economies (International Business series)

Michael W. Peng

Business Strategies in Transition Economies (International Business series) Michael W. Peng

This book probes into the workings of business strategies in former socialist countries in East Asia, Central and Eastern Europe and the newly independent states of the former Soviet Union, which are collectively called 'transition economies'. It provides a rich and in-depth understanding of fundamental, strategic issues confronted by domestic and foreign firms competing in these newly developed markets.
