Eye Wonder: Oceans DK

What's life like under the sea? Curious children will love learning about the ocean and discovering what life is like in the depths of the ocean. *Eye Wonder: Oceans* is packed with pictures to make learning about the ocean fun and interesting and to keep visual learners engaged. Through the activities and pictures in *Eye Wonder: Oceans*, your junior oceanographer can visit coral reefs and kelp forests, meet a host of sea creatures ranging from sharks to seals to jellyfish, and learn how sea creatures survive in their watery world. We've added fun new activities to *Eye Wonder: Oceans* to encourage engagement, learning, and knowledge retention.

Visual learners and readers alike will love exploring and learning through *Eye Wonder: Oceans*. These books are designed to teach through pictures and a visual approach, encouraging curiosity in young, school-age children. We've added games, activities, and quizzes to engage children even more — *Eye Wonder: Oceans* activities are designed to teach kids to both remember more of what they've learned, and learn to research when they want to know more, teaching general study skills as well as ocean-specific.

Learn about science, history, and the natural world through beautiful photography and lively, age-appropriate text. The *Eye Wonder* series organizes information in a way that's easy to search, easy to read, and easy to learn.
