The Most Reluctant Convert: C. S. Lewis' Journey to Faith David C. Downing

C. S. Lewis was not always a literary giant of Christian faith. How did he evolve from staunch atheism to become one of the most beloved and renowned Christian authors of our time? This thoughtful book discusses the largely overlooked period of his life between Lewis' childhood and his early thirties, during which he experienced a tumultuous journey of spiritual and intellectual exploration that ultimately led to his conversion. Professor David C. Downing weaves the people, places, and events of Lewis' life together with excerpts from Lewis' own writing to show how Lewis' spiritual quest can also light the path for other seekers.
