A Hero of Our Time

A Hero of Our Time is a Russian classic novel by **Mikhail Lermontov** (1814-1841), a Russian romantic writer, poet and painter, sometimes called "the poet of the Caucasus". His influence on later Russian literature is still felt in modern times. His poetry remains admired in Chechnya, Dagestan, and beyond Russia. Mikhail Lermontov was a poet by genius, a romantic at heart, yet by the time of his death at 26, he had already become something of a disenchanted realist. This pressure between streaks in his personality is expressed openly in "A Hero of Our Time".

The edition published by West Indiana Publishing comes with **active Table of Contents** and **illustrations from the original Russian version**. This book also contains a list of famous artists that illustrated the novel and a list of publications that have used it. Also **included are the films, novels, television, and stage productions** that have adopted this work in some form.
