Joshua, Judges, Ruth (New International Biblical Commentary. Old Testament Series, 5) J. Gordon Harris, Cheryl Anne Brown, Michael S. Moore

The authors of this commentary take a canonical-historical approach to the books of Joshua, Judges, and Ruth, three books that are diverse, yet share the common historical context of the tribal settlement of Canaan. They examine Joshua, Judges, and Ruth as narratives with dynamic theological messages about the dynamic relationship between God's people and the powerful God who gives land and provides deliverers for the people. The three commentaries in this volume will be of great help to laypeople, busy students, and pastors looking for simple, clear expositions of Joshua, Judges, and Ruth. They offer many valuable insights into individual passages as well as the overall messages of these books. The authors are informed biblical scholars who do not clutter their work with technical discussions only distantly related to the text's meaning. Their goal of clarifying the original meaning of these important (yet often-neglected) books for today's readers is admirably accomplished. David M Howard Jr., professor of Old Testament, Bethel Theological Seminary
