Do Not Disturb Christie Ridgway

You can choose your friends, but you can't choose your family.

Investigative reporter Angel Buchanan dug up a whopping surprise: The late "Artist of the Heart" Stephen Whitney -- famous for his family values -- was the father who'd abandoned her when she was four. And there's nothing like the reading of a will to bring people out of the woodwork, especially relatives you never knew you had...

...Such as the grieving widow and her sexpot twin sister...and a hunky man Angel is thrilled to learn is not any kind of cousin at all. He's C.J. Jones, the legendary lawyer determined to keep her quiet about her late, not-so-great deadbeat dad's secret life.

Angel knows he'll try to woo her into submission, but how can she resist? The setting: Tranquility House, a remote retreat containing plenty of private rooms and romantic hideaways. But how far will C.J. go to get what he wants? And, for that matter, how far will Angel?
