Halo: The Fall of Reach Eric Nylund

The Definitive Edition to the First and Bestselling Halo Novel, Including Twenty-seven Pages of New Material

Legends are not simply born...they are willed into existence.

Humanity has expanded beyond the Sol System. There are hundreds of planets we now call "home."

The United Nations Space Command now struggles to control this vast empire.

After exhausting all strategies to keep seething insurrections from exploding into interplanetary civil war, the UNSC has one last hope.

At the Office of Naval Intelligence, Dr. Catherine Halsey has been hard at work on a top secret program that could bring an end to all this conflict...and it starts with seventy-five children, among them a six year old boy named John.

Halsey never guessed that this little boy would become humanity's final hope against a vast alien force hell-bent on wiping us out.

This is the story of John, Spartan-117...the Master Chief, and of the battles that brought humanity face to face with its possible extinction.

This new Tor edition will serve as the definitive version of the novel that started Halo fans reading the series, and features brand-new material, including:

Excerpts of Office of Naval Intelligence interrogations of the Covenant.

Missives and mandates issued by the Covenant

Declassified transmissions regarding the defense of Reach

A personal insight into the Spartan program

The Official Evacuation Order for all inhabitants of Reach.

Five sketches of cover art by 343 Industries artist, Robogabo

From reader reviews:

Barbara Erickson:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them family or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity this is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you read you can spent all day long to reading a guide. The book Halo: The Fall of Reach it is extremely good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. In the event you did not have enough space bringing this book you can buy often the e-book. You can m0ore very easily to read this book from the smart phone. The price is not to cover but this book provides high quality.

Betty Guinn:

In this era globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher that print many kinds of book. The actual book that recommended for you is Halo: The Fall of Reach this reserve consist a lot of the information in the condition of this world now. That book was represented how do the world has grown up. The dialect styles that writer value to explain it is easy to understand. The particular writer made some research when he makes this book. That is why this book ideal all of you.

Kathryn Hebert:

Is it an individual who having spare time then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This Halo: The Fall of Reach can be the response, oh how comes? A fresh book you know. You are and so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these publications have than the others?

Manuel Frazier:

As we know that book is significant thing to add our know-how for everything. By a book we can know everything we wish. A book is a range of written, printed, illustrated or even blank sheet. Every year had been exactly added. This book Halo: The Fall of Reach was filled in relation to science. Spend your time to add your knowledge about your technology competence. Some people has various feel when they reading a new book. If you know how big benefit of a book, you can experience enjoy to read a e-book. In the modern era like today, many ways to get book which you wanted.
