Pinterest's SEO and Impact on Google for advanced Jacek Potaczala

I've created this e-book to shed some light on possible impact that Pinterest as a social media channel may have on Google and also – how Pinterest search engine works itself. It is based on a case study of one of my campaigns for a lingerie wholesale site. The main goal of my campaign was to create an account strong enough to conquer both: Pinterest and Google search engines. And I did so. That is why this e-book is the essence of an effective and successful campaign only. No wasting time for unproven or time-consuming methods, just a simple recipe to succeed.
