A History of Latin America

Benjamin Keen, Keith Haynes

A History of Latin America Benjamin Keen, Keith Haynes

This best-selling text for introductory Latin American history courses, *A History of Latin America*, encompasses political and diplomatic theory, class structure and economic organization, culture and religion, and the environment. The integrating framework is the dependency theory, the most popular interpretation of Latin American history, which stresses the economic relationship of Latin American nations to wealthier nations, particularly the United States. Spanning pre-historic times to the present, *A History of Latin America* uses both a chronological and a nation-by-nation approach, and includes the most recent historical analysis and the most up-to-date research. This is the most streamlined and cohesive edition yet, with substantial additions to pedagogy and chapter content. Expanded coverage of social and cultural history includes women, indigenous cultures, and Afro-Latino peoples.
