## **Le Bal** Irene Nemirovsky

From the acclaimed author of **Suite Française** comes Némirovsky's third novel, a masterpiece of French literature, available for the first time in Canada.

**Le Bal** is a penetrating and incisive book set in early twentieth century France. At its heart is the tension between mother and daughter. The nouveau-riche Kampfs, desperate to become members of the social elite, decide to throw a ball to launch themselves into high society. For selfish reasons Mrs. Kampf forbids her teenage daughter, Antoinette, to attend the ball and banishes her to the laundry room. In an unpremeditated fury of revolt and despair, Antoinette takes a swift and horrible revenge. A cruel, funny and tender examination of class differences, **Le Bal** describes the torments of childhood with rare accuracy.

Also included in this volume is **Snow in Autumn**, in which Némirovsky pays homage to Chekov and chronicles the life of a devoted servant following her masters as they flee Revolutionary Moscow and emigrate to a life of hardship in Paris.
