Maigret (Inspector Maigret)

Georges Simenon

Maigret (Inspector Maigret) Georges Simenon

A new translation of this gripping novel which sees the inspector brought out of his peaceful retirement.

Maigret shrugged his shoulders, buried his hands in his pockets and went off without answering. He had just spent one of the most wretched days in his life. For hours, in his corner he had felt old and feeble, without idea or incentive. But now a tiny flame flickered. "You bet we'll see" he growled.

Maigret's peaceful retirement in the countryside is disrupted when a relative unwittingly embroils himself in a crime he did not commit, and the inspector returns to Police Headquarters in Paris once again. This novel has been published in a previous translation as *Maigret Returns*.

Georges Simenon was born in Liège, Belgium, in 1903. Best known in Britain as the author of the Maigret books, his prolific output of over 400 novels and short stories have made him a household name in continental Europe. He died in 1989 in Lausanne, Switzerland, where he had lived for the latter part of his life.

From reader reviews:

Johnnie Colby:

Information is provisions for folks to get better life, information currently can get by anyone with everywhere. The information can be a knowledge or any news even a problem. What people must be consider any time those information which is inside the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you receive the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Maigret (Inspector Maigret) as your daily resource information.

Jennifer Witherspoon:

In this time globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. Typically the book that recommended for your requirements is Maigret (Inspector Maigret) this reserve consist a lot of the information with the condition of this world now. This particular book was represented how does the world has grown up. The language styles that writer value to explain it is easy to understand. The actual writer made some investigation when he makes this book. That is why this book appropriate all of you.

Doris Trumbull:

Is it an individual who having spare time and then spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This Maigret (Inspector Maigret) can be the reply, oh how comes? A book you know. You are consequently out of date, spending your time by reading in this fresh era is common not a geek activity. So what these ebooks have than the others?

Adam Mathews:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many problem for the book? But any kind of people feel that they enjoy to get reading. Some people likes reading through, not only science book and also novel and Maigret (Inspector Maigret) or even others sources were given know-how for you. After you know how the fantastic a book, you feel need to read more and more. Science publication was created for teacher or students especially. Those guides are helping them to include their knowledge. In other case, beside science reserve, any other book likes Maigret (Inspector Maigret) to make your spare time far more colorful. Many types of book like here.
