They came for my husband, but it was my decision when the Alpha took him as I watched.

Being married to a **roughneck** oil rig worker is something that Skye loves. Her husband, Grayson, is a **big, burly man** who can pick her up and have his way with her. When he begins acting a little too rough on the rig, however, he gets sent home and told to take some time off.

When this husband and wife take a vacation to an off trail location in the **deep woods**, they arrive **hot and sweaty**. Things get even hotter when they are overcome with passion for one another.

The time has come, however, for her husband to come in to his own **legacy**. The **bears come for him**, deep in the woods. It will be his job to continue the line. It is the **Alpha who has chosen him**. Her husband will be **taken hard, taken rough** - and she will watch, with pleasure.

A romantic, shifter cuckquean love short story. Mature readers who love sexy paranormal stories, welcome.
